University Hospital

Thanks to Angel Pincay and Carmen Lebron we were able to donate approximately **300** used books to University Hospital. On

April 7th we dropped off the books, some baby items donated by the Motivational Auto Club, and a stroller, a car seat, socks, and blankets donated by the Rutigliano Family.

These baby items will be distributed to young mothers in need.

A very special thanks to all our friends at The Trackside Italian Eatery for their very successful fundraiser. Their efforts over the past few months have resulted in a substantial donation thanks to their caring and generous customers. We are eternally thankful to Frank, Connie, and the Fasouletos Family for promoting our Mission and believing in us.
