The Toledo Kids Who Care

Hello Everyone!!

Before we go on to report on this month's activity we must first take the time to thank some very important people...without who we would not be able to do all that we do. Migdalia Llerena, Adela Bell, Paula DelValle & Family, Gustavo Quirama from All Natural Vitamins on Bloomfield Ave., Aida Capela, Martin Family, Edid & Berta Hernandez, Rutigliano Family, Mrs. Tomaszkeski & Family, Hilda Caso, Zadié Family, Estevez Family, Torres Family, My very special cousin Anthony Torres who took the time to draw some pictures and sell them to help raise money for my foundation, Mimi & Pipo, and last but not least to all the members of the Motivational Auto Club...you are all fantastic!!

Auto Club Donation

On February 19th we had the honor and privilege to attend a dinner hosted by the Motivations Auto Club. During the dinner, Nany, the Club President, presented Stephen

with an authentic club sweatshirt "hoody" and t-shirts for the girls. The kids were truly touched with

these gifts. They also asked Stephen to participate in their upcoming auto show in the spring. It is an event that we

are very excited about and looking forward to. At the end of a wonderful meal, good company, and some laughs, the

members posed for a photo with us before helping us load up the van with all the

wonderful donations that they have been collecting especially for our Foundation. Included in there donations were coloring

books, crayons, socks, toys, cloths and car seat. There are no words that would properly express our gratitude and

sincere appreciation to all the members. We know that all of these donations will help us spread happiness and joy to sick and less fortunate children.

Thanks a million!!!

Company holds successful toy drive this Xmas

Earlier this month Stephen Toledo joined forces with Dr. Ruffalo and his staff at A T.E.A.M. Approach Physical Therapy Center in Bloomfield for a Holiday Food and Toy Drive. "The amount collected was beyond our expectations. On Dec. 15, Dr. Ruffalo and his son Nicholas joined Stephen and his family

gathering all the toys from the food/toy drive and delivered them to Clara Maass Medical Center where they were greeted by Thomas A. Biga, Executive Director of Clara Maass Medical Center," the company said. The food collected will go to the Safe House at Clara Maass and the toys were to be distributed

to the hospitalized children during the Christmas season. "Thank you to everyone who contributed to this wonderful cause. For more information about Stephen Toledo and his mission, please go to www.stephensmission.com," the company also said.

Upcoming Event

We are very excited to announce our very first Fundraising Dance on Sunday, April 9, 2006 at 12:30 at the Mayfair Farms in West Orange. Please see flyer for more information.

We are planning a visit to University Hospital on March 3rd when we will be delivering some toys and other items donated by The Motivational Auto Club as well as toys donated by Mrs. Tomaszesk from Queen of Peace Grammar School. We look forward to this visit and we thank everyone once again for making this possible.

We hope to be able to visit Clara Maass Medical Center next month to distribute toys, coloring books, and crayons donated by The Motivational Auto Club.
