

Stephen's Mission

The Toledo Kids Who Care

Hello Everyone!!!

Summer has been a lot of fun this year. We are enjoying the time off from school but as you all know this does not mean time off from our mission. In fact we have been very busy with our new summer project (Bicycle Helmet Drive) as well as our lemonade sales. In the picture below you can see us with our cousins Alex and Anthony, our Aunt Carmen, and our Mimi during one of our lemonade sales. We can't thank them

enough for all their help and support. We would also like to thank everyone that has helped us this past month in particularly, Migdalia Llerena, Adela Bell, Rutigliano Family, Nelson & Deborah Gutierrez, George Estevez & Family, Zeida Suros, Berta & Edid Hernandes, Nereida & Pedro Torres, Randy & Terry, Joe & Freda Rygiel, Juan Rodriquez, Our Friends from The Trackside Italian Eatery, Hilda Caso, Ester & Estela Prado, Estevez Family, Abu & Aba, Torres Family, and as always we would not be here today without the constant help and support of our Mimi & Pipo. **Thank you all!!!**

Bicycle Helmet Drive

As mentioned above our bicycle helmet drive continues to be a success. Thanks to all our friends and family we were able to purchase an additional 19 helmets to be distributed to needy children and their families that come into the emergency room unit of Clara Maass Medical Center. This makes a total of 37 helmets

donated this summer season. We will continue to support this project until the end of

the summer so if anyone is interested in making a donation please feel free to contact us. Also during this visit we were able to donate several teddy bears to be distributed to the children in the emergency room.
