Terry's Coins

During Mother's Day Weekend we were very fortunate to have my Godmother Randy and Terry visiting us from Virginia and our Grandparents visiting from Florida. Our mission is so important to us that even during these great events we take time out to gather more funds. It has truly become a family affair. Here you can see me and Terry as we count the coins from his 25 pound bag.

Please Welcome....

This month we are very happy to announce

that we have partnered with Catholic Services who has put us in contact with Ms. Yolette Reseau, Social

Worker of the East Orange Primary Care Center. This center offers low-income or uninsured residents full medical care. With the help of all of you we were able to donate a baby swing, 80 pairs of socks, blankets, toys and other baby items. These items will

be inventoried and distributed by the physicians to the needy families. We

hope to continue to work with the staff of Primary Care to get a better understanding of their clients needs. Once we gather a list of needed items we will post it on our website and hopefully begin collecting for our next donation. We would like to thank all the staff, and in particular, Ms. Yolette Reseau for the tour of the center and for making us feel so welcomed.
