Locks of Love

As many of you know, Stephanie has been letting her hair grow for Locks of Love. This is something that she has wanted to do for a real long time, and now, finally she saw her dream come true. Together with her sister Gabriela and her friend Carla Ribeiro they were able to donate over 30 inches of hair. We know this will make a difference in the life of many children. We would like to thank everyone that participated and helped to make this donation possible including the DePinho Family, Ribeiro Family and Divino Estilo Hair Salon in Newark.

Up Coming Events

Proclamation: On December 12, 2006 the Mayor and Municipal Council of the Township of Belleville will present us with a proclamation honoring our achievement in helping less fortunate children and families in their times of illness and need.

Christmas Toy Drive: Please don't forget that we have started to collect new toys to be distributed to various hospitals and shelters throughout our community during the Christmas holiday. If anyone is interested in contributing a toy to our drive please contact us at the address below. Please help us make this a great Christmas Season for all the sick and needy children of our community.

Needed items: We have recently been asked to include a section in our newsletter indicating items needed for our mission. So due to popular demand we have included this section. If you are looking for a way to help even one of these items would be greatly appreciated. We are always in great need of items for our goodie bags such as small boxes of crayons, coloring books, and small toys to put in goodie bags. We also always need children socks (any size), teddy bears and books. We continue to need new infant car seats and bike helmets (any size) for our on-going drive.
